____ 1/4, ____ 1/4, ____ 1/4 Sec. ____ T ____ N, R ____ WE					

CERTIFICATION OF APPLICATION

I certify that the above is correct to the best of my knowledge. I will provide any additional information requested. I have listed all existing wells. Any well not in use must be sealed as standby wells or properly plugged within 90 days and DNR form 542-1226 filed with the Department of National Resources.

Applicant Signature: _____ Date: _____

Proposed Wells intended to serve 15 or more service connections or serve 25 or more people per day at least 60 days per year, whether publicly or privately owned, cannot be issued a Private Water Well Construction Permit. The owner(s) must apply for a public water well construction permit from the Department of National Resources.

Submit this Application with a plat map-aerial photo (with location of lined wells clearly marked) and a non-refundable fee.
