

Dubuque County

Face Covering Guidelines

Effective May 24, 2021, individuals who are fully vaccinated may enter Dubuque County facilities without wearing a face covering.

People are considered fully vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

Individuals who are **NOT** fully vaccinated must continue to take all safety precautions, *including wearing a face covering while on Dubuque County property.*
